Welcome to the 2026 Training Camp in China

China is one of the world's leading nations in table tennis. The country has produced many world champions and Olympic gold medalists, and table tennis is deeply rooted in Chinese sports culture. Young players in China benefit from a highly professional training environment, making the country an ideal destination for ambitious athletes who want to develop their skills and gain international experience.

Take part in an intensive two-week training camp in China, designed to develop your skills alongside leading coaches and international players. Our table tennis academy combines intensive training, cultural exchange, and international competition experience in a unique program. Participants will have access to world-class coaches, modern training facilities, and a supportive environment that promotes both athletic and personal development.

Elite Training Program

Our academy offers a comprehensive training program designed to help young players reach the next level. With a focus on technique, strategy, and mental strength, the programs are tailored for the champions of the future.

- Refine your skills through specialized workshops led by internationally recognized coaches, focusing on precision, speed, and technique.
- Participate in competitive match sessions that develop tactical thinking and adaptability at the table.
- Build mental resilience through expert-led sessions designed to improve focus, discipline, and competitive mindset.
- Improve your physical performance through customized training programs that enhance fitness, explosiveness, and endurance.

Development Opportunities

Our academy offers structured development pathways for young players who want to improve their skills and compete at higher levels. The goal is to provide participants with the best possible conditions to reach their full potential through individually tailored training plans focused on technical development and competition preparation.

Information and Registration:

Location of the Table Tennis Academy

Our academy offers a professional training environment. With modern training facilities and access to world-class coaches, players are able to develop in an environment that encourages growth and high performance.

The table tennis academy collaborates with Hebei Zhengding Table Tennis Training Base, and the 2026 training camp will be held at Xi'an Hai Mo Table Tennis Training Center.

Dedicated Support Team

Our dedicated team provides supervision and guidance to ensure that training sessions and activities are carried out under professional leadership. Through a structured framework, we create a safe environment where young players can develop and thrive both at and away from the table tennis table.

Accommodation and Meals

Each accommodation is equipped with modern facilities to create a homely environment where players can relax and focus on their training. Parents can feel confident knowing their children are staying in a safe and supportive environment, in close proximity to the training facilities.

Meals are balanced and nutritious. With a focus on high-quality fresh ingredients, players receive the nutrition needed to handle intensive training days.

The European-Chinese Youth Table Tennis Academy aims to establish the first long-term youth bridge in table tennis between Europe and China, where cultural exchange and international cooperation are at the center.

Through its collaboration with the Swedish Chinese Chamber of Commerce, we aim to develop young talents through elite sports education and professional development programs that create the champions of the future.
