

# PLAYING SYSTEM – PRAGUE GAMES

## Tournament playing system

- Teams are drawn into groups of four or five teams according to total number of teams in given category.
- In basic groups teams play round robin system.
- All teams advance to play-off games. Their seeding is based on results from group matches.
- Play-off is played based on elimination tournament system (Play Off A and B).
- Defeated teams from semifinal matches of play off A are not playing 3rd place match and are immediately decorated with bronze medals after the semifinal match end.
- In play-off B only the winner of final match is decorated by medals.
- In U10 groups are drawn for each day differently.
- In U10 there is no play off. All teams are winners. There is no final ranking.
- The organiser has right to change the system in case of low number of participants.
