

Boden HF in co-operation with Pro Prospect Ltd. from Finland will host a unique Skill Development Camp April 14 -15 at Sunderbyn Ishall for players born '00-'04.

This camp will consist of 2 ice trainings each day (1 skill development practise + 1 scrimmage/games)+ 1 off-ice training.

Players and parents are encouraged to attend a presentation on player development concepts from Boden HF and Pro Prospect.

Each player will also have the opportunity to receive individual feedback from Pro Prospect and BHF coaches in a booked meeting time during the camp.

The goal of this camp is to provide you with information on where your development is today and “kick start” your transition from the ice season into your summer training program. Providing you with added motivation and insight to train to the best of your abilities this summer to make the 2018-19 season your best yet!!!
