

On September 15th we open up for registrations to Junicupen 2018! Last year, 214 teams participated from Sweden, Norway and Germany!

Together we make a good handball tournament even better!

Junicupen welcome you to the 44th Junicupen in 2018. This year's Junicupen 2017 was a success where 43 clubs experienced some sunny handball days in Uddevalla, on the Swedish west coast. Several of Sweden's major clubs were there (IK Sävehof, Alingsås HK, Redbergslid IK, H43 Lund, Skövde HF, OV Helsingborg and Skara HF), many Norwegian clubs (16 clubs participated with 51 teams) visited us too as well as VfL Gummersbach participated with their U18 team. Junicupen also has one of Sweden's largest mini-handball tournaments (for our smallest handball players born 2009 and 2010) since no less than 65 mini-teams participated in 2017. We now hope that you, our other handball friends across Europe, also discover Junicupen! Junicupen gives you the opportunity to participate with the younger kids (Born 2010 to 2006) playing handball outside in the summer weather and give the youngsters (Born 2005-2002) the opportunity to play indoors. Junicupen also arrange an European Elite challenge cup for girls under 19 called "Jenny Alm Trophy" and for boys under 19 "Peter Olofsson Trophy" for invited teams with the winners from 2017, to defend their championship title. Most of the matches are played within walking distance of the accommodation and food. In addition, there are bus routes between all arenas and handball areas. Uddevalla Solid Sound, a music festival, is as usual also arranged in the city center during these days. Unfortunately, several age classes became full even before the closing date this year, so if you decided to create handball memories in Uddevalla and Junicupen in the summer of 2018, do not wait too long with your registration!

It should be easy, fun and convenient when choosing Junicupen!

We greet European handball clubs welcome to a tournament that creates warm handball memories.
